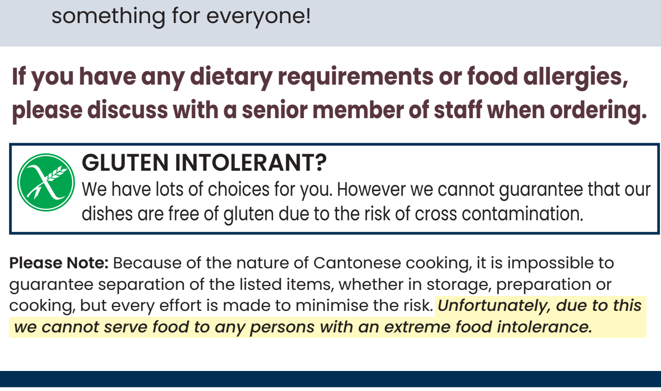
TIP: By adding **Chilli Oil,** any dish can be made as spicy as you like. Please discuss your preference when ordering.

Please Note: Cantonese cuisine is very extensive, whilst we have tried to be as comprehensive as possible with the menu, if there is anything you would particularly like, and its not on the menu... Please ask!

As most people from Huby know, The New Inn has been closed for some time now... it was finally bought in April 2018 and since then, major refurbishment has been undertaken.

Finally, after much resistance, The New Inn has been brought into the 21st Century. However, the biggest challenge lies ahead - turning and established village hostelry into a Cantonese restaurant whilst maintaining the finer points of an English pub.



The New Inn Huby offers an unique experience to all of its customers. A traditional English pub serving everything from real ales to high quality wine and gin, combined with a Cantonese restaurant offering authentic oriental food. We really do provide something for everyone!

If you have any dietary requirements or food allergies, please discuss with a senior member of staff when ordering.

GLUTEN INTOLERANT?
We have lots of choices for you. However we cannot guarantee that our dishes are free of gluten due to the risk of cross contamination.

Please Note: Because of the nature of Cantonese cooking, it is impossible to guarantee separation of the listed items, whether in storage, preparation or cooking, but every effort is made to minimise the risk. *Unfortunately, due to this we cannot serve food to any persons with an extreme food intolerance.*

Sauce Descriptions

Sweet & Sour Sauce
A light and fruity sauce with a sharp tang.

BBQ Sauce
A sweet smoky tomato flavour, which also forms the basis for the Cantonese and Peking Sauces.

Cantonese Sauce
A lighter version of the BBQ Sauce, subtly altered to enhance the flavour of the meats.

Peking Sauce
For those who like a bit more bite in their sauce. Similar to the Cantonese Sauce, but with added peanut.

Black Bean Sauce
Black Beans, Garlic, Soy Sauce and Sesame Oil, combined to give a smoky slightly salty flavour.

Satay Sauce
Peanut based, but combined with Chilli with extra bite.

Curry Sauce
A light fruity mild curry, mild enough even for your mother!

Kung Po Sauce
Hoi Sin and Yellow Bean Sauces, combined with Sesame Oil, Garlic, Chilli and Cashew Nuts to give a spicy, smoky and nutty flavour.

Szechuan Sauce
Highly spiced with Chilli, this sauce is definitely not for the faint hearted!
